

## **Dear Guests and Employees of F.F.C.,**

as-Salamu ‘ Alaikum!

At first, I thank you for your kind participation in the official launching of F.F.C. Logo.

There is no doubt that standards of mobility and renovation define the track of most companies and demonstrate their development in action.

That is why we have spared no effort throughout the last eight months to bring elements of our new logo into existence. This logo represents our prompt efforts to keep pace with the latest developments, to root our identity and to look ahead. At the time, we do not neglect translating the Company’ s vision, mission and ethics of employment into practice. We, F.F.C., are still proud of practicing the following principles in word and in deed: flexibility, easiness, full care, credibility, professionalism, and commitment to community service.

### **Kind attendance,**

It makes us feel very proud of reviewing performance indices of F.F.C. Among them are : (1) the Company’ s transformation into General Shareholding Company, (2) the establishment of First Investment Co. with a capital of Q.R. 500.000.000, and (3) being a strategic partner in Qatar Investment Authority. This situation marks and symbolizes a new era.

By the way, it is very important to state that F.F.C has successfully overcome all challenges which got in its way and climbed to the first position in the field of Islamic finance in the State of Qatar.

Nowadays, launching the new logo has resulted in a new challenge to F.F.C., a two-sided challenge:

- 1- The Company’ s good fame and special position require exerting extra efforts and constant work in order to keep its distinguished identity.
- 2- Launching the new logo while the world witnesses decisive financial changes demonstrates:
  - - Our firm determination to continue in our distinguished performance.
  - The Company’ s ability to acclimatize to all market changes.
  - Its ability to meet customer’ s different needs.

In conclusion, I thank Allah, The Exalted, Who has been helping us to secure a pioneering position among Islamic Financial Institutions .Then, it is our duty to extend our sincere thanks to HH. Sheikh Hamad Bin Khalifa al-Thani, the Emir of Qatar ,HH Sheikh Tamim ,the loyal Heir Apparent, and HE. Sheikh Sa' ud alThani, the Governor of Qatar Central Bank, for their continuous support.

Thanks a lot for all.

Wassalamu ' Alikum Warahmatullah!
